

SAMSUNG pay

With this mobile service, you can make purchases with a compatible Samsung device almost anywhere you can swipe or tap your Alpine Credit Union debit and credit card. After adding your card, making a purchase is easy. Swipe up on the screen to launch the app and place your finger on the Home key. Then hover your Samsung device over the card reader.

3 Easy Steps to Get Started

1. Swipe up from the home button. Or, select the Samsung Pay app icon from your home screen or app tray.

2. Authorize payments by simply scanning your fingerprint.

3. Hover your phone over the in-store card reader and you are ready to go!

Samsung Pay is now available on Google Play™ as a free download for compatible devices

Samsung Pay FAQ

What is Samsung Pay?

You can make purchases with your compatible device by using Samsung Pay.

How do I begin?

One of the following Samsung devices:

- Galaxy S6 edge +
- Galaxy S6
- Galaxy Note 5
- Galaxy S6 active
- Galaxy S6 edge

Is Samsung Pay safe?

The entire transaction is secure because your debit and credit card numbers aren't stored on your device.

Which merchants are participating?

Samsung Pay is accepted almost anywhere you can swipe or tap your card.

What information do I need when adding my card for the first time?

You may have to verify recent transactions when adding your card for the first time for security purposes. A phone number will be provided to call when you are registering so you can activate this feature. You will need to give exact amounts and what the transaction was. This information can be found on your online account at www.alpinecu.com

Which ACU cards can I use?

All of your personal Visa debit and credit cards.

Can I opt-out of Samsung Pay?

You can add or delete your ACU debit or credit card at any time.

Is Samsung Pay free?

Yes. However, message and data rates may apply, depending on your plan.
